ADVERTISING & SPONSORSHIP PACKAGE

Are you looking for a great event that will help promote a team-building environment?

Are you looking for a new and cost effective way to reach potential consumers?

Then you should contact the Sydney Curling Club for more information!

The Sydney Curling Club is a heated, four sheet curling facility, centrally located at 619 George Street in Sydney in its 140th year of operation.

The Club is dedicated to promoting and developing the sport of curling for the entire community, in a friendly, social atmosphere, and offers a winter pastime that can be enjoyed by the entire family. Not only is curling fun and good exercise, it has a great social atmosphere. Our spacious lounge area is equipped with a large sitting area, big screen TV and fireplace. Also, our upstairs banquet hall is available to take care of those bigger functions.

We have 4 regular curling leagues, a Seniors Golden Age League and a very successful Junior League, all of them producing many Provincial Club and National Club placed teams. Last year our Visually Impaired Team travelled to Ottawa and placed 3rd at the AMI National Visually Impaired Bonspiel. Our Club Team travelled to BC in 2016 and competed in the Travelers Insurance National Club Bonspiel. Our Junior Team is punching well above its weight and competing against clubs with much more experience.

The Sydney Curling Club has also hosted many local and provincial Bonspiels over the years bringing in many new faces to the Club and potential consumers of sponsors products.

Throughout the curling season we host over 500 people weekly in our club either curling, watching games or attending one of the many hosted social events at the Club.

The Sydney Curling is striving to introduce new people to the game and enhance the fun for our existing members. With the success we enjoyed last season we are definitely on our way.

Sydney is also hosting **The 2019 Women's Scotties National Curling Championship at Centre 200** which will bring national attention to the Sydney area, the Sydney Curling Club and increase not only the sport of curling but show your business to the eyes of potential customers.

Advertising and sponsorship with the Sydney Curling Club also includes promoting your business on our social media (Facebook, goCapeBrenton.com and Twitter) as well as directed emails to our members.

On behalf of the Board of Directors of the Sydney Curling Club I look forward to working with you and promoting your business and increasing the profile of our Club and the sport of curling.
